UNCONDITIONAL GUARANTY

Unless the business entity is a sole proprietorship, each individual principal or owner of Applicant is required to sign this Application individually as Guarantor and be liable for the business credit card account(s) opened in connection with this Application or the VISA Commercial Credit Agreement governing the accounts. Bank of Botetourt may require additional principals or owners to guarantee the business credit card account(s). By signing this Application, each individual whose name appears below agrees to be bound by the provisions of the Unconditional Guaranty. In consideration of and in order to induce Bank of Botetourt to open one or more VISA Commercial Credit Card accounts for the Applicant and the Designated Cardholders (together, the "Business") and for other good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, each Guarantor signing this Application "individually as Guarantor" (whether one or more herein referred to as "Guarantor"), hereby jointly and severally guarantees the prompt, absolute, and unconditional payment and performance of the obligations of the Business to Bank under the Bank of Botetourt VISA Commercial Credit Agreement (the "Agreement"), including all outstanding principal, interest, fees and charges relating to the accounts and agrees to be bound by the provisions of the Agreement. If Business fails to pay any such sums when due (whether or not due because of a default), Guarantor agrees to immediately pay to Bank the full amount owed by the Business. Guarantor agrees that this guaranty is a continuing guaranty that extends to all debts and other obligations now or hereafter owing to Bank pursuant to the Agreement, even though from time to time there may be no debt or obligation owed to Bank by Business under the Agreement. Guarantor agrees to pay reasonable attorney's fees for collection after default by Guarantor hereunder. Guarantor hereby subordinates any debt owed to Guarantor by Business and any right of subrogation or contribution against Business or any other Guarantor until all of Business' debts and other obligations to Bank have been paid and satisfied in full. Guarantor specifically joins in any agreement to arbitrate disputes which may now or hereafter be made part of the Agreement.
