

Q&A

What is UChoose Rewards®?

UChoose Rewards is a rewards program in which you earn points for choosing to use your Bank of Botetourt Visa Check Card. Redeem your points for anything of your choice from a huge online rewards catalog.

How do I earn points?

You earn 1 point for every \$2.00 you spend every time you choose to use your Visa Check Card. When shopping in-store, select credit and sign for your purchases. Check with Bank of Botetourt for more point-earning opportunities.

Where can I earn points?

You earn points everywhere your card is accepted.

When can I redeem points?

It can take up to 40 days for your points to be credited to your account. You must accumulate 1,000 points before you can redeem your points. We keep track of all the points you earn and will help you find just what you're looking for when you're ready to redeem. We even have a Wish List Tracker that will let you know when you've earned enough to redeem a specific item.

Can I share points with family members?

All cards within an account automatically earn points together.

Where can I view my point activity?

You can access the history of your point activity through www.uchooserewards.com

How much does it cost to participate?

There's no cost. Membership in UChoose Rewards is absolutely free for Bank of Botetourt cardholders, so start using your card and earning points today.
